# Fire Alarm Engineers Relay Kit

Absolute Essentials – Engineers Kits

Part No. T10051

## Product Details

We know how crucial it is for you to get to that call out, installation, or commissioning without any hiccups. That's why we've got your back with our amazing relay kit. It's packed with everything you need – a selection of resistors, sticky pads, and not just one, but four different types of relays to cater to all your needs.

With our relay kit, you can complete the job right on site, without any unnecessary delays or hassles. No more running back and forth to grab an additional relay. It's all conveniently packed in a handy box with a lockable lid, ensuring their safety and protection from any damage. And guess what? It fits perfectly into your trusty backpack, so you can take it anywhere!

But hey, we understand that you might run out of certain items from time to time. Don't worry! We've got you covered there too. You can easily re-order individual products as needed since they are readily available from our stock.

## What's Included?

x2 500-050 240V Relay F20018

x2 500-010 12V Relay F20017

x4 500-020 24V Relay F20015

x10 T10047

1kΩ Resistors

4.7kΩ Resistors

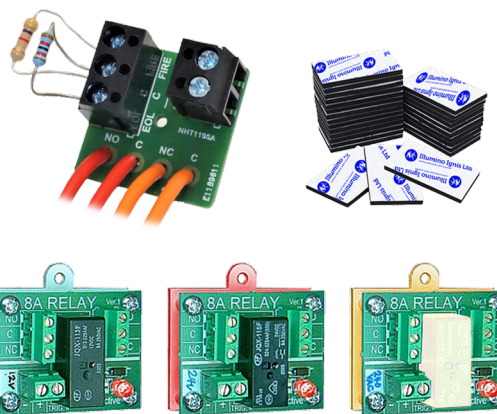

680Ω Resistors

20kΩ Resistors

470Ω Resistors

10kΩ Resistors

x14 Sticky Pads
